## BIT BASICS: A CALIFORNIA BIT INSPECTION RESOURCE

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Bit inspection program was enacted into law to promote safer highways within the State of California. It requires terminals, that are subject to the BIT program, to employ safe professional drivers and operate safe well-maintained vehicles. Until now there was no single source telling you this is the BIT, and this is all you need to know. This book does not waste time discussing law, it goes straight into what you need to know to be a responsible BIT program administrator. In addition, this book provides detailed sample forms that will assist with your BIT compliance efforts. These forms can be manipulated and copied to conform to your organization s specific operational needs.
