## THE PROSE EDDA

DOWNLOAD

Createspace, United States, 2014. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Prose Edda is one of the most famous epic poems of the Viking Age, written by a medieval contemporary named Snorri Sturluson. From the intro: Snorri Sturluson was in the fullest sense a product of his time. The son of a turbulent and ambitious chieftain, Sturla Thordsson, of Hvamm in western Iceland, he was born to a heritage of strife and avarice. The history of the Sturlung house, like that of Douglas in Scotland, is a long and perplexed chronicle of intrigue, treachery, and assassination, in all of which Snorri played an active part. But even as among the Douglasses there was one who, however deep in treason and intrigue, yet loved learning and poetry, and was distinguished in each, so Snorri, involved by sordid political chicanery, found time not only to compose original verse which was admired by his contemporaries, but also to record the myths and legends, the history and poetry, of his race, in a prose that is one of the glories of the age. The perplexing story of Snorri's life, told by his nephew, Sturla Thordsson, [1] may well be omitted from this brief discussion. A careful and scholarly account of it by Eirikr Magnusson[1] will be found in the introduction to the sixth volume of The Saga Library. From Snorri's marriage in 1199 to his assassination at the hands of his son-in-law, Gizurr Thorvaldsson, in 1241, there was little in his life which his biographer could relate with satisfaction. His friends, his relatives, his very children, Snorri sacrificed to his insatiate ambition. As chief and as lawman, he gave venal decisions and perverted justice; he purposed at any cost to...
