

The Myth of Themanus - 21st Century Leadership in Action (Paperback)

By Christopher Michael Conroy

Completely novel, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Out of the ruins, a true diamond emerges. A classic work that turns LEADERSHIP on its head. At last, the elephant in the room gets to take centre stage! In this dramatic tale, ambitious new Manager, Themanus, has his leadership character tested against the challenges of a 21st century workplace. Does the Myth of Themanus (with its lovely classical allusions!) deliver? It does. Anyone who has even the smallest experience of issues in a contemporary work environment would recognise the challenges posed by types of divisive them-and-us thinking . . . so we have much to learn from such work. (Dr Sara Wills, Associate Dean of the Faculty of Arts, The University of Melbourne, Australia).
