Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The best recipes collected over the years by a 100 year old Jewish Grandmother who considers entertaining a competitive sport. Her recipes not only taste good, but they have to look good, too. Belle s recipes are practical and unusual, and her ingredients are everyday item found in every kitchen. Although the book is written by a Jewish grandmother, this is not a kosher or even strictly Jewish cookbook. There are Chinese, Italian, German, Danish, and other nationalities represented among the recipes. Another lure to the book are the interesting tales of where and how she found many of the recipes, and events where she has used them. Finally, there are ideas of recipes that can be combined to present and unusual visual effect, like her 7 layer Jello mold table centerpiece, or her combination salad mold appetizer. Belle is a kitchen artist as well as a great cook and baker.
