Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

Meyer Meyer Sport (UK) Ltd, United Kingdom, 2016. Paperback. Book Condition: New. 2. Aufl.. 228 x 152 mm. Language: English . Brand New Book. The grass is wet and squishy, but Alex and his team are still excited for soccer practice because they re learning about playing different positions in a formation. This fully illustrated book is intended to help youth soccer players understand playing positions and the basics of 7 vs. 7 formations. iPlaySoccer! Books are instructional stories focused on advancing youth player development. The illustrated children s books teach foundational concepts and vocabulary in a fun way that allows children, parents and coaches to develop together in the beautiful game. The series is not intended to replace the instruction of a coach or the learning derived from actual play. Rather, the purpose of these books is to assist the player in mastering concepts as the game becomes more complex. Besides, the focus of iPlaySoccer! is on teaching children how to think independently, while also maintaining a collective understanding of the team during competition. This is an essential skill that helps young players not only in sport, but also in life. Each title is not intended to supplant the instruction of a coach, or the time a child spends learning a sport by playing it. Rather, the authors purpose is to assist young players with their comprehension of sport in a way that is engaging, inspiring, and empowering.
