

Marines: An Illustrated History (Paperback)

Filesize: 2.25 MB

Reviews

This book will be worth getting. Better then never, though i am quite late in start reading this one. Its been written in an extremely basic way which is only right after i finished reading this book through which actually altered me, alter the way i believe.
(Mr. Enrico Lesch)

MARINES: AN ILLUSTRATED HISTORY (PAPERBACK)

To read **Marines: An Illustrated History (Paperback)** PDF, remember to follow the hyperlink below and download the file or get access to other information that are highly relevant to MARINES: AN ILLUSTRATED HISTORY (PAPERBACK) ebook.

Motorbooks International, United States, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Leathernecks are respected as the elite on countless battlefields around the world; read how they have earned it. The United States Marine Corps s history is one built on tenacity. A handful of bedraggled and unappreciated ships guards known as Continental Marines more than 230 years ago grew to become, in the twenty-first century, a superb, multi-functional, ready-response force combining ground, air, and sea power. With their own ships, aircraft, and special operations capability, Marines have become the most versatile, self-sufficient, all-encompassing, ready-response warriors on the planet. They fly fighter-bombers, helicopters, and surveillance planes, and are equipped with the very best weapons and gear. The transformation has never been smooth. Besides fighting on distant shores or quelling disturbances at home, the Marines have had to battle against penurious politicians and interservice rivals. The constant pressure to be the best created a special bond a fellowship of valor that has made Marines determined fighters, continuously modifying their doctrine to respond to the evolving global war on terrorism. Marines: An Illustrated History is packed full of dramatic action photographs, paintings, and detailed maps. Learn how Marines are uniquely trained in amphibious warfare and organized into highly mobile attack groups operating from specially designed ships. Not just a recap of the history of the Marines, the Corps s exploits since 2007 are profiled in an all-new chapter. Get an up-close, personal view of why the toughest warriors in the world are proud to claim the title of United States Marine.
