Loyola University Press, U.S., United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. The 12 disciples who followed Jesus offer us wonderful lessons on what it means to be modern-day disciples of Jesus, but we also gain great insight into the cost of discipleship by looking at Jesus mother, Mary, and Mary Magdalene. In this Bible study, we follow the 12 disciples and the two Marys through the Gospels so that we can make their way of discipleship our own way of discipleship. A Guided Discovery of the Bible The Bible invites us to explore God's word and reflect on how we might respond to it. To do this, we need guidance and the right tools for discovery. The Six Weeks with the Bible series of Bible discussion guides offers both in a concise six-week format. Whether focusing on a specific biblical book or exploring a theme that runs throughout the Bible, these practical guides in this series provide meaningful insights that explain Scripture while helping readers make connections to their own lives. Each guide - is faithful to Church teaching and is guided by sound biblical scholarship - presents the insights of Church fathers and saints - includes questions for discussion and reflection - delivers information in a reader-friendly format - gives suggestions for prayer that help readers respond to God's word - appeals to beginners as well as to advanced students of the Bible By reading Scripture, reflecting on its deeper meanings, and incorporating it into our daily life, we can grow not only in our understanding of God's word, but also in our relationship with God.
