Reviews

This book will be worth purchasing. This is for anyone who stutte that there had not been a worthy of looking at. Your daily life span will likely be convert when you total looking over this ebook.
(Aidan Jerde DVM)

BLACK MEN ON RACE, GENDER, AND SEXUALITY: A CRITICAL READER (CRITICAL AMERICA)

NYU Press, 1999. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "This voice and timely book addresses the perceptual split between an officially 'colorblind' world and the lived experience of so many for whom race determines so much. Although centered on images of black men, these extraordinary essays provide compelling insights about stereotypes of women, whiteness, class status, ethnicity, and gender. From 'suspect profile' to 'natural athlete,' the disuniting effects of racial clichés are meticulously analyzed in this sharp and always moving anthology." -Patricia J. Williams, author of *The Rooster's Egg* and *The Alchemy of Race and Rights*.
