Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I first found Pastor Backus pamphlet A Discourse on the Nature and Influence of GODLY FEAR, written in 1801, while doing research for a different book I was working on. At that time, I had been seriously studying the topic of the Fear of God for over 15 years and considered myself fairly fluent on the subject. As I tried to read this sermon, I found myself needing both a dictionary and a Bible. The dictionary was necessary because Brother Backus had a vast vocabulary and used many archaic words that I did not understand. The Bible was necessary since the author assumed that his listeners were familiar with the more than 100 Bible references he used in this one sermon. It was my original intention to make some minor changes to the sermon to make it more easily read by a modern audience and then try to republish it. As I tried to share this sermon with my friends, it quickly became apparent that more than minor changes were necessary for modern readers to be able to fully understand this discourse. The end product might be most accurately called a collaboration between two preachers who lived more than 150 years apart. Pastor Backus original 40 page sermon [which included 6 pages of genealogy] is now with my contributions more than 85 pages long [not counting the Bible study at the end.] In this book, I have tried to distinguish my additions from Brother Backus original words by using these marks to indicate his words. Thus We do but sojourn in this world; and this time of our sojourning should be passed in Fear. would be primarily Backus..
