Reviews

This publication is great. It really is packed with knowledge and wisdom Your daily life period will probably be transform when you complete reading this article book.

(Wilford Metz)

IN DEFENSE OF PARTISAN CRITICISM: COMMUNICATION STUDIES, LAW, AND SOCIAL ANALYSIS (PAPERBACK)

Peter Lang Publishing Inc, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. In Defense of Partisan Criticism is a far-reaching exploration of the legal, philosophical, and rhetorical basis for understanding social justice in the United States. Through a thoughtful investigation of key political, social, and legal events in the history of the United States, Omar Swartz develops a compelling argument for engaged political scholarship by American academics, and offers readers a critical understanding of the place of race and class in American cultural history. Central to this understanding is an awareness of the communication imagination - the power of citizens to name the constraints placed upon them by U.S. political and legal institutions and to counter those constraints with narratives constructing a more socially just society based upon a wider sense of human identification and partisan engagement than is currently practiced in the normative U.S. public sphere.
