

Second Coming the Architect (Paperback)

By Rob London

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Human consciousness has stumbled. Our greediness, irresponsible ecological destruction and propensity for murdering each other and Earth's creatures have driven us to the brink of our own extinction. Mankind, the latecomer, will be the root cause of the next massive extinction event and we will need intervention if we are to survive. Enter our creator gods, extraterrestrials responsible for our existence that have returned to Earth to reset the balance and guide our consciousness to the next level. Those that have subscribed to a biblical apocalypse will certainly experience one, but a remnant of compassionate humans will survive, and they will be sent on a conscious quest where all the questions about who we are, where we are from, and where we will need to go will be answered. But not before we reap what we have sown.
