## Taking Texas: Book One of a Two-Part Series

By Niki Chesy

AUTHORHOUSE, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Taking Texas is the first book in a two-part series. It is a novel about a motivated group of friends who are willing to take things to the extreme to save their country. The trials and tribulations of this group of three unfold over two decades, culminating in a series of events that hold the very existence of the country at stake. This suspenseful, politically charged thriller is both dramatic and technical. The story unfolds with a scene in 1993, with three people together watching TV. The three friends--Michael Bishop, Nikoli Borodin, and Samantha Sloan--are struck by the unfolding drama of the World Trade Center parking garage bombing. They know that something has to change to keep the United States from continuing its downward slide. They all believe that it is the greatest country in the world, and they are prepared to take action to keep it that way and even improve upon it. Taking Texas can almost be seen as a case study in civics, personal accountability, and optimism.
