Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Manual of Instructions and Interpretations for Measures of Musical Talent Musical talents vary enormously both in degree and kind. Many of these capacities can be measured before musical education has been begun. It is of inestimable value for the art of music that these capacities and traits should be discovered early and be analyzed for the purpose of guidance in musical education. The material presented in these records furnishes measures for five of the most fundamental and essential capacities of the musical mind. As we may hear the prima donna sing in school and home, so we can command the scientific means for aid in the detection, analysis, and rating of musical talents. These measures of musical talent comply with the following conditions: they are based on a thorough analysis of musical talent; they are standardized for content that does not need to be changed; they give quantitative results which may be verified to a high degree of certainty; they are simple and as nearly self-operating as possible; they are adapted for group measurements; they take into account practice,...
