NTARIKON: POETRY FOR THE DOWNTRODDEN (PAPERBACK)

AUTHORHOUSE, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Ntarikon is a non-poem that speaks to everyone and to no-one. Throughout life, from the cradle to the grave, we store information culled from our personal experiences; from the experiences of others, and try in some way to make sense of it all. When we are not able to make sense of the things that occur in our lives, we often externalize the information through writing. By doing this, we are afforded a different perspective, thus allowing us to think more clearly about the things that have happened in our lives. Poetry is one of the ways in which I externalize my thoughts. Versification is arguably a passionate art form. It has provided me with an outlet for exploring my innermost thoughts and emotions. Poetry allows me to communicate issues that I might not be able otherwise to openly discuss. It affords me the opportunity to re-evaluate myself, my relationship with others, my station in life, and the world around me. Poetry can be therapeutic, allowing us to work through issues in our lives to find solutions, clarity, comfort, and peace of mind. It provides a vehicle of expression for diverse attitudes and fresh insights. The poetry within Ntarikon is from every point on the spectrum: every topic, every intention, every event or emotion imaginable. It is important to keep in mind that each verse in the poem is the voice of the poet; a piece of a mind that yearns to bring sanity to a world gone topsy turvy, of a heart that feels the effects of every moment in this life, and perhaps of a memory that is striving to surface. Recalling our yesterdays gives birth to our tomorrows.
