HOW TO SHOW WHAT YOU MEAN DURING A PRESENTATION: HOW TO USE VISUAL TECHNIQUES TO TRANSFORM A SPEECH INTO A MEMORABLE EVENT

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 72 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. All too often public speakers think that all that they have to work with are the words that will tumble out of their mouth during their next presentation. Whereas these words are important, a speech offers you many other ways to connect with your audience by demonstrating what you are talking about. What You'll Find Inside: TOOLS TO HELP VISUALIZE YOUR NEXT PRESENTATION MASTERING THE POWERPOINT BEAST IN 3 EASY STEPS SPEAKERS LEARN TO MAKE TASTY SPEECHES BY ADDING JUST THE RIGHT SPICES ACT UP OR SIT DOWN! The arrival of the PowerPoint and Keynote software programs suddenly made creating slides simple and easy to do. The result of this is that almost all speeches these days seem to include some form of slides. That being said, all too often the slides are not well made and actually end up taking away from the presentation instead of contributing to it. However, giving a speech that will be able to rise above just the words that you say involves a lot more than just creating and using the right set of slides. It turns out that every speech is actually a performance. What this means for us as speakers is that we need to take some cues from actors and start to deliver more than just a speech we owe our audience a show. The words that you use in your speech carry a power all of their own. Yes, you can choose just any old words and you'll be able to get your point across to your audience. However, will they remember what you said Probably not. If instead you spend the time researching and picking just the right words...
