Ever since the Big Uneasy, the dead are coming back to life and have a bone to pick with the living a skittish vampire who believes he s being stalked by straight edge predators armed with stakes; a mummy fighting the museum that has encased him for thousands of years for wrongful imprisonment; two witches suing a publisher because of a typo in a spell-book that caused a spell to go horribly wrong. All the while trying to figure out who murdered zombie P.I. Dan Chambeaux and his former lounge-singer-turned-ghost girlfriend.
