It doesn't matter how many times we fall down in our lifetime, as long as we don't stay down. Our possibilities are limitless as long as we make the choice to never give up. In this book I share with you a few of my lessons on my journey- and no matter how much diversity, chaos or tragedy I refused to give up on myself. I refused to listen to critics who didn't believe in me and know my true strength. I was a conqueror and knew as long as I had breath-I was able to push forward. When we succeed in conquering ourselves we have the ability to help our community, nation and the entire universe.
