Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. They say you can't buy happiness. But you CAN buy coffee. And that's pretty close. Whether you need a quick morning pick-me-up, a gentle afternoon artistic buzz, or a late night study break, But First, Coffee has the right coloring page to satisfy your coloring-meets-coffee cravings. These grayscale images are designed to stimulate your creativity, improve your fine motor skills, and induce a state of calm meditative focus. Fine tip markers, colored pencils and watercolor mediums are all ideal for bringing these pages to life. **COLORS** The existing shading on grayscale pages creates a beautiful, rich color palette when blended with multiple shades of the same color. Using multiple variations of blue, green, yellow, etc. will allow you to create a more lifelike final image. **MATERIALS** Colored pencils, watercolor pencils, blendable markers and crayons all work well for grayscale coloring. Use gel pens, fine tipped markers to enhance detail, and a watercolor brush or sponge for better blending technique. **BLENDING WITH GRAYSCALE** Try coloring over the darker gray areas with your darkest color shades for greater depth and saturation. **HAVE FUN** There is no wrong way to color. Just do what feels right! **CONNECT WITH US** We love seeing all the gorgeous works of art created with our grayscale coloring books. Post photos of your finished pages with your Amazon review, tweet at or share them in the Grayscale Coloring Group on Facebook! Hart Grayscale Coloring is brought to you by Hart House Creative.
