A circle of friends. A violent act. Everything is about to change. In the quiet town of Stillwater, Minnesota, life seemed to just be something of an everyday occurrence. But then seven people found one another and their lives changed. Working together and spending time with one another they formed a bond built on trust and loyalty. Something so strong they allowed no one else to enter. They made a pact that they would always stay together, strong and true. Now, on the eve of a life changing event for them all, one of them has gone and done the unthinkable, and its just the beginning of all their troubles. Trying to move forward and build lives for themselves, they will now have to put their circle to the test as they work with the local police to solve a crime one of them committed. The bonds of their friendship are about to be pushed to the limit. Out ahead of them on the journey of life anything is possible, but the road they are about to travel will take them anyplace other than where they wanted to go, or ever expected. Their journey begins. A road that will take them to the very edge. But will it ever bring them back This item ships from La Vergne, TN. Paperback.
