

Groom's Survival Manual

By Perry, Michael R.

Pocket Books, 1991. Paperback. Book Condition: New. 214 pages From Library Journal Most wedding etiquette books available today offer advice to the bride on how to plan the marriage ceremony. This guide is designed to help the groom handle the ring selection, invitations, rehearsal dinner, honeymoon vacation, bachelor party, and many legal aspects of marriage. Freelance writer Perry includes many of the typical charts found in other wedding handbooks: honeymoon budget, six-month countdown schedule, selection of a place to live, etc. Written in a colloquial style with plenty of anecdotes and analogies, this consumer guide is more likely to be read by the groom as he tries to organize his half of the celebration. An optional purchase for public library collections. - Mary Ann Wasick, West Allis P.L., Wis. Copyright 1991 Reed Business Information, Inc. Ingram The ultimate survival guide for bewildered husbands-to-be covers everything grooms need to know about legal issues, selecting a best man and ushers, donning a tuxedo, planning a honeymoon, choosing a first home, and adjusting to marital life. Reissue.

Reviews

This type of publication is every little thing and got me to seeking in advance and much more. I could possibly comprehend every little thing out of this created e publication. I am happy to explain how this is the finest pdf we have study in my very own life and can be he greatest ebook for actually.

-- Miss Berenice Weimann Jr.

Very useful to all category of individuals. It is one of the most amazing publication i have got read through. You will not feel monotony at anytime of your respective time (that's what catalogs are for about when you question me).

-- Mr. Johnathon Dach
