Llewellyn Publications,U.S., United States, 2004. Paperback. Condition: New. Language: English . Brand New Book. Family dynamics have always been complicated. Making sense of these relationships depends on understanding each member s personal motivations and feelings. Astrology can help! Mapping Your Family Relationships is a valuable astrological tool for analyzing your family unit objectively. No previous astrological knowledge is needed. A birth date and time is all that s required to access an astrological understanding of any family member-parents, siblings, children, grandparents, aunts, uncles, and cousins. This book and program makes it easy to explore family relations from the reader s perspective, as well as from the viewpoints of other family members. The CD-ROM included with this book runs on Windows 95/98/ME/2000/XP and was developed by Cosmic Patterns, a leading developer of astrological software.
