Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.When the priest known as Patrick was found murdered so close to Easter Sunday, Siren swore she would avenge his death and find his killer. Whoever was stupid enough to kill a priest, clearly didn't know he was Siren's priest too. Taking on the gangs on the underworld, she won't stop until she has found who was responsible for murdering the only person that was ever nice to her without wanting anything in return. Keeping Fred and Harry at arms length whilst she delves deeper into the criminal underworld. Nicolette Mace is a private investigator out of necessity, not choice. With her family dead and nowhere else to turn she had to learn to stand on her own two feet and live the only way her father ever taught her to. Life as a private investigator isn't all big cases, excitement and arch enemies. Filling the Afterlife from the Underworld follows the day to day musings and activities of Nicolette Mace: The Raven Siren, taken from her online blog. My name is Nicolette Mace, but you might know me as the Raven Siren. I'm a Private Investigator living the 1930s romantic dream in this new and exciting modern age. I keep records of everything that happens; everything I have seen and done. Why? There are more things in heaven and earth, Horatio, than are dreamed of in your philosophies.
