

## Walk Through the Temple of Your Own Body: Discover Hidden Secrets of God's Image

Filesize: 7.82 MB

### **Reviews**

*Definitely one of the better ebook I have possibly read through. It usually will not charge excessive. You wont feel monotony at anytime of your own time (that's what catalogues are for regarding if you check with me).*  
*(Prof. Jean Dare)*

## WALK THROUGH THE TEMPLE OF YOUR OWN BODY: DISCOVER HIDDEN SECRETS OF GOD S IMAGE

WestBow Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.With the utmost intimacy, the Spirit of the Lord unveiled many hidden secrets of God s image throughout our bones. It was because of this Teacher s insight and guidance through the study of the musculoskeletal system, I was privileged to enjoy this eye-opening journey. While on our path of study, this amazing Teacher highlighted descriptive words along with biblical number values that were as golden nuggets or stepping stones through the temple of my own body. Those same golden nuggets proved to reveal hidden secrets of God s handiwork as from a carpenter s blueprint. The Spirit of the Lord revealed God s image in one group of our bones, to represent Jesus birth; His life and ministry; thorns that relate to the Kingdom of God, and the fruits of the Holy Spirit. Revelation 4:2-4 has a powerful image of God that surrounds the Sword of the Spirit; and a breathtaking image of God s love through the Cross. Each and every one of God s images relate to Genesis 1:26. God said, Let Us make man in our image, according to Our likeness. I was constantly reminded that these images of God, and more, were first framed within Adam s bones, and they exceed far above all the animals that God Created. This book holds a gift of love and encouragement for the entire body of Christ as well as those who are searching for unshakeable identity. God s image, cleverly designed within our bones will build greater confidence to allow God s power to flow more freely.
