## A THRIVING MODERNISM: THE HOUSES OF WENDELL LOVETT AND ARNE BYSTROM

University of Washington Press. Hardback. Book Condition: new. BRAND NEW, A Thriving Modernism: The Houses of Wendell Lovett and Arne Bystrom, Grant Hildebrand, T.William Booth, "A Thriving Modernism" celebrates the remarkable careers of architects Wendell Lovett and Arne Bystrom and their contributions to modernism and to the architectural legacy of the Pacific Northwest. Wendell Lovett joined the University of Washington faculty in 1948; Arne Bystrom was one of his first students. Their work, now encompassing half a century, has been published in Germany, Spain, Italy, Japan, Denmark, England, Brazil, Switzerland, and France, and their reputations in these places are established. Yet in the United States, despite their being elected Fellows of the American Institute of Architects in 1978 and 1985, respectively, they remain little known outside the Northwest. Both men believe deeply in the emotional dimension of architecture; both are dedicated to expressive detail, executed through exquisite craftsmanship; both have been offered remarkable sites on which to build. In a series of domestic projects, each has found, in his own way, a much enriched modernism. Lovett draws influences from modern Scandinavia and Italy, from Alvar Aalto and Santiago Calatrava. Bystrom acknowledges debts to medieval Scandinavia and the ancient Far East, Frank Lloyd Wright, and Greene and Greene. Lovett's dedication to industrialized materials and methods is informed by gesture and anthropomorphic metaphor. Bystrom, devoted to the natural and the handcrafted, develops an abstract discipline of geometry and physics into a crisp structural concept. Lovett's manipulation of space, light, and mechanistic detail yields a richness undreamed of in early modernism, while Bystrom's delight in wood as inspiration is comparable to that of ancient Asian crafts. This lavishly illustrated book sets forth the extraordinary work of these two architects. It will appeal to practicing architects, as it will to any reader interested in...
