Brand New Book ***** Print on Demand *****.Henry Donner had heard of people avoiding a flight because of premonitions of doom, but he never suspected that the opposite may also be true: some people are drawn to a doomed plane because deep down, they hunger for the end. Worse, it may be their collective, suicidal will that makes it happen. Now, only as redev flight two-ninety lifts off does Donner realize the truth: the airliner s final destination isn t New York, but oblivion, and he s the only one who can do anything about it-- if, that is, he can get past the demonic forces on board to watch it happen.
