The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

TEACHINGS OF VIMALAKIRTI: DEMONSTRATION THROUGH MAGIC AND MIRACLES SANGHARAKSHITA

Motilal Banarsidass Publishers Pvt. Ltd., New Delhi, India, 2007. Softcover. Book Condition: New. Vimalakirti is a Bodhisattva who appears as a layman in order to help all living beings. A worker of wonders, he reveals distant universes, feeds thousands of being with a single bowl of nectar, and wins a philosophical debate with a thunderous silence. Because he is enlightened, the means he uses are highly skilful yet utterly inconceivable. How can we understand and communicate the Buddha's teaching, learn to practise the spiritual life in association with others, and finally gain our freedom? These are the practical issues, directly relevant to modern life, and illustrated through myth and symbol, which this book explores. Sangharakshita's commentary illuminates the original text, and can also be read as a teaching in its own right, so vividly does it evoke the spiritual power of Vimalakirti, and the significance of this teachings. Take a step into the extraordinary realm of the Vimalakirti nirveda. Discover the magic, drama, and paradox of this classic Mahayana scripture and move towards the freedom of heart and mind, which is the inconceivable emancipation. Printed Pages: 160.
