

The Life of the City: Space, Humour, and the Experience of Truth in Fin-de-Siècle Montmartre (Hardback)

By Julian Brigstocke

Taylor Francis Ltd, United Kingdom, 2014. Hardback. Book Condition: New. 236 x 158 mm. Language: English . Brand New Book. Could the vitality of embodied experience create a foundation for a new form of revolutionary authority? The Life of the City is a bold and innovative reassessment of the early urban avant-garde movements that sought to re-imagine and reinvent the experiential life of the city. Constructing a ground-breaking theoretical analysis of the relationships between biological life, urban culture, and modern forms of biopolitical experiential authority , Julian Brigstocke traces the failed attempts of Parisian radicals to turn the crisis of authority in late nineteenth-century Paris into an opportunity to invent new forms of urban commons. The most comprehensive account to date of the spatial politics of the literary, artistic and anarchist groups that settled in the Montmartre area of Paris after the suppression of the 1871 Paris Commune, The Life of the City analyses the reasons why laughter emerged as the unlikely tool through which Parisian bohemians attempted to forge a new, non-representational biopolitics of sensation. Ranging from the carnivalesque performances of artistic cabarets such as the Chat Noir to the laughing violence of anarchist terrorism, The Life of the...

Reviews

Good e-book and beneficial one. it absolutely was writtern quite flawlessly and beneficial. I am delighted to explain how this is basically the very best ebook i have read through within my very own daily life and may be he greatest ebook for at any time.

-- Prof. Leonardo Parker

Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.
