Brand New Book ***** Print on Demand *****.Once upon a time in a mythical, coastal paradise called Nomo-Nomo, the inhabitants lived in peace and harmony with nature and the environment. They were not aware that a creature known as Man who shared the land with them was doing things that were harmful to the Ozone and the Ozone Layer. As a direct result of man s activities, there was massive erosion, the sea rapidly taking over land. Weggy the Worm who had the ability to hear and understand Man, heard part of a conversation which revealed that Climate Change was coming and would cause the sea to take over land. Weggy s home, Nomo-Nomo was in danger of being swallowed up by the sea, and all forms of life on it would be destroyed. But Weggy did not hear all of Man s conversation. He also said that a man-made reef would be constructed in front of Nomo-Nomo to stop the erosion and protect the wildlife. Weggy enlisted Ms. Beaky Toucan as his first confederate. After Weggy explained to...
