New Society Publishers, United States, 2008. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Ivanko and Kivistik - innkeepers, authors, and wearers of many other hats - truly walk the green talk, detailing the nitty-gritty of running a green business. - Library Journal I m not even sure I d call this a business book. ECOpreneuring contains plenty of advice on starting a small, eco-conscious business, but the authors focus primarily on how entrepreneurial efforts can incorporate values and priorities beyond the bottom line. Lifestyle choices trump profit motives, but neither have to be sacrificed in order to create meaning and income. This kind of positive thinking is repeated again and again throughout the book. In addition to sharing their own success, and the stories of others, ECOpreneuring is filled with practical information about starting and running a small green business. A potential ecopreneur will discover ideas on everything from bookkeeping to marketing, and the authors point to numerous other resources that will help you set up your company, and run your business without running afoul of tax codes, licensing agencies, or litigious competitors. I really enjoyed this thoughtful, well-written book - a business book that s inspiring and practical is hard to come by. ECOpreneuring lays out a blueprint for making health, happiness and abundance an integral part of the work we do. Reviewed by Jeff McIntire-Strasburg, Sustainablog Powerful social trends toward green living, relocalization, and self-sufficiency have fanned the fires of would-be ecopreneurs in North America, driving a shift toward prioritizing purpose over profits, and building community over building market share. A nation of nine-to-fivers is giving way to a spirited bunch of innovators, searching for ways...
