Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.As a clairvoyant of over 30 years standing I have met some wonderful people both in my profession and within the complementary therapy fields. During all this time I have often wished I had had a concise directory to hand so that, when putting on my own holistic fairs, it would have been far easier to find people to take part with me. The Global New Age Directory 2016 was recently published through Amazon, and I thought it would be a good idea to have a volume that covered the United Kingdom and Ireland only. You will also find separate volumes of the Directory to cover the USA and Canada and Australia and New Zealand as well. To that end I have now produced a Directory for the UK and Ireland and would add that it is by no means an exhaustive list. I hope that in the years to come the directory will grow and grow so that more and more new age therapists, clairvoyants, psychics, tarot readers and others from this region will come and join us. Please note that in some cases therapies are known by different names. I have included all names that have been given to me. I would also add that, as the compiler of this Directory, I have relied on the trust and goodwill of those advertising, and have no knowledge of skill, expertise and reliability of those therapists unknown to me personally.
