I C S Publications. Paperback. Condition: New. 306 pages. Dimensions: 8.4in. x 5.5in. x 0.8in. Translated from the critical edition by John Clarke, OCD, 3rd ed. (1997). Includes general and biblical index, with 8 pages of photos. Two and a half years before her death in 1897 at the age of 24, as Threse Martin began writing down her childhood memories at the request of her blood sisters in the Lisieux Carmel, few could have guessed the eventual outcome. Yet this Story of my soul, first published in 1898 in a highly edited version, quickly became a modern spiritual classic, read by millions and translated into dozens of languages around the world. Decades later, in response to growing requests from scholars and devotees of the Saint, a facsimile edition of the manuscripts appeared, along with more popular French editions of what the Saint had actually written. Here, expressed with all of Thrses original spontaneity and fervor, we rediscover the great themes of her spirituality: confidence and love, the little way, abandonment to Gods merciful love, and her mission in the church and world today. Father John Clarkes acclaimed translation, first published in 1975 and now accepted as the standard throughout the English-speaking world, is a faithful and unaffected rendering of Thrses own words, from the original manuscripts. This new edition, prepared for the centenary of the Saints death, includes a select bibliography of recent works in English on Threse, along with a new referencing system now widely used in studies of her doctrine. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
