Brand New Book ***** Print on Demand *****.Excerpt from Premium List and Regulations of the Great State Fair of North Carolina: Held by the North Carolina Agricultural Society North Carolina is one of the greatest states in the Union and its people are rapidly making their impress in all lines of endeavor. Most of the following facts are taken from the Progressive Farmer of Raleigh, N. C, and are made On the authority of the State Agricultural Department - the other facts are matters of common knowledge to the people of the State. North Carolina in 1910 was the twenty-second state in value of Agricultural Products. In 1919 she was fourth in the Union, and second only to the enormous state of Texas in the South. In 1910 the crop value of the State was \$140,000,000, in 1919 it was \$683,000,000, the value of the tobacco crop alone being \$90,000,000. It is astonishing how the farmers are buying trucks, tractors, improved farm implements, electric lighting outfits and the comforts and luxuries of home and farm. There is now a state-wide compulsory minimum school term of six months for every child, white and black. Many counties have established farm life schools. North Carolina is probably the only State in the Union with a rural moving picture service, amusing the people and teaching them the laws of sanitation and health, under the Educational Department of the State. The State pays half and the County half and the people go free. Credit Unions flourish all over the State under a model system. In 1914 there were 11, 000 automobiles in the State, in July 1920 there were approximately 115,000. Durham County has the largest tobacco factories and...
