Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In the ongoing energy debate in Congress, one recurring issue has been whether to allow oil and gas development in the Arctic National Wildlife Refuge (ANWR, or the Refuge) in northeastern Alaska. This area is viewed as a promising onshore oil prospect and is also a center of activity for caribou and other wildlife. It is designated as critical habitat for polar bears under the Endangered Species Act. A 1987 study of the area by DOI had recommended energy development, but the Alaska National Interest Lands Conservation Act of 1980 prohibited development unless authorized by an act of Congress. (Development was thus barred prior to enactment of P.L....
