Reviews

The book is fantastic and great. This is for anyone who statte there was not a worthy of reading. I found out this publication from my i and dad advised this pdf to learn.

(Pete Paucek DVM)

MYSTERISHORTS - COLLECTION 1

Createspace, United States, 2012. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.These three short stories are unrelated mysteries that will have you guessing through their final chapters. The first mystery involves a suburban setting we can all relate to. Karen is an ex-realtor, divorced, no-longer active in the industry. Now a private investigator, she specializes primarily in missing persons and potential infidelity investigations. One of her old real-estate customers, Wendy, has become a friend with both endearing and disarming traits. Wendy has observed some odd phenomena in the old house across the street from her home. Not knowing what to make of them she calls Karen who finds a plausible explanation for the unusual phenomenon her friend has observed. A massive storm with high winds and torrential rain rages for days, creating driving hazards from downed trees, racing rivulets, and accumulated debris in narrow streets. Karen s investigation of a missing person from out of state stalls. When Wendy calls with yet another issue on the house opposite, Karen is predictably rude in her response. The ensuing investigation involves both unexpected and unpleasant issues. Wendy is enormously upset, and Karen is thrown into an awkward position by the findings. The final outcome is only partially balanced by a new revelation between the two women. The second mystery revolves around boating between the US and Canada, among the northwest islands, away from the mainland. Ted and Tricia own a modest home on the shore of an island bay. Their pride and joy is a 50ft sleek powerboat. Ted is a real-estate broker but has recently had major knee surgery and is recuperating at home. A visiting boat pulls into their cove and anchors in an area that doesn t always...
