ENTREPURPOSE (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I was 16 and was in the optometrist s office for the first time. I played baseball for most of my childhood and I was pretty good. I became more of myself and was able to appreciate life on a deeper level. Finding your purpose is like slipping on prescription lenses for the first time. Everything becomes crisp and clear. The color of life becomes more vibrant. Why am I here? Entrepurpose is a book inspired by 13 intense years of struggle to find the answer to the question. That journey took me...
