Speedy Publishing LLC, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Those who are great at managing their own money are likely to see more personal success than those who do not do this. They are able to budget better for life s unexpected events, and they may even be better at save up for the expenses in life that one wants to build up for (such as college or a new car). Personal success is not strictly tied to one s pocketbook, but it is a good place to start. Success in finances leads to success elsewhere.
