Surveillance and Crime

By Roy Coleman, Michael McCahill

SAGE Publications Ltd. Paperback. Condition: new. BRAND NEW, Surveillance and Crime, Roy Coleman, Michael McCahill, 'This is a book about surveillance - a theoretical and empirical analysis of its historical emergence through to its contemporary uses and abuses - but it is much, much more than that. The authors skilfully lead us, via the idea and practices of surveillance, to core issues of 'crime', power and the state. Whether you have read every or no book about surveillance, you must read this one.' - Steve Tombs, Professor of Sociology, Liverpool John Moores University 'This is an excellent book, well-argued, well-referenced and important. The authors' analysis of how 'crime' and surveillance intersect with relations of power is superb. A significant and original contribution to both surveillance and corporate crime literatures'. - Lauren Snider, Professor of Sociology, Queen's University, Canada. Surveillance has a long-standing relationship with crime and its identification, prevention, detection and punishment. With information on each citizen spanning up to 700 databases, and over 4 million CCTV cameras in the United Kingdom alone, this book explores how new technologies have given rise to new forms of monitoring and control. Offering a comprehensive understanding of the relationship between surveillance, crime and...
