WESTWARD TO THE FAR EAST: A GUIDE TO THE PRINCIPAL CITIES OF CHINA AND JAPAN (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Westward to the Far East: A Guide to the Principal Cities of China and Japan Westward to the Far East is intended to supply general information in a concise form to those who may be desirous of visiting Japan and China, as well as to serve as a guide to those visiting those portions of the Orient by the Canadian Pacific Route. It is not an elaborately descriptive work, nor is it a mere bald statement of times, distances and measurements. It indicates the chief points of beauty and interest along the route and in Japan and China, dealing at sufficient length with each subject to satisfy the casual observer, and referring those who desire more detailed information to the several sources from which that may be obtained. It is intended to tell the possible traveller what there is to be seen and the actual traveller how to see it. It should be, if its author's good intention is fulfilled, interesting to the one and useful to the other. It is the result of personal observation and enquiry prompted by the desire to acquire the knowledge most useful to a tourist, and while being a trustworthy guide to those travelling in the countries referred to, will teach others a great deal about China and Japan which they cannot fail to be interested in knowing. Those who have made up their minds to take this enjoyable trip will, of course, require information - which being subject to change is not found in the guide book - concerning sailings of steamships, baggage allowances, tickets, connections and so forth, for which application should be made to one...
